"I am very honoured that I was chosen to receive the RAP scholarship in memory of Gordon. This means a great deal to me as I truly love my job as a heavy equipment technician and I am willing to do anything to expand my skill base.

I am currently registered to take my first year here in Olds in January and this will help a lot.

Thank you so much for this opportunity.

Mike Lipiec

"I am deeply grateful to receive the precious Gordon Mitchell Spirit Award that gives recognition to the principle virtues with which we can help each other through these tough years in high school. ...The simplest acts of kindness can make a world of difference. It makes me happy that you value how someone acts towards others and what is in their heart above all else..."
