

# **GORDON MITCHELL REPORT TO DONORS 2016**

**STUDENT IMPACT – Student live the legacy and make donors proud!**

Each year, under the tutelage of Louan Statchuk, students are encouraged to share the impact that winning one of the Gordon Mitchell Memorial Fund awards has on their lives.

Jake Herspiegel, winner of the 2016 Registered Apprenticeship Award (RAP), said “As the recipient of the Gordon Mitchell Memorial RAP Award, I would like to thank you. I am thrilled and honoured to have been selected as this year's recipient of the award and look forward to using it towards my first year of tuition fees and tools for the Agricultural Equipment Technician Apprenticeship Program. My goal is to one day be a Journeyman in both the Ag Equipment and Heavy Equipment trades and this award is helping me achieve that goal.”

Each student took the time to share a little insight into who they are and where they directed the funding.

Congratulations on your achievements!
